

**Seventh Tide**  
by Joan Lennon

Puffin Books  
ISBN: 978-0141319179

A deadly game through time – soul-sucking Kelpies v. a shape-shifter, a boy-monk and a girl from a drowned future.

‘Lennon has an extremely inventive style and is able to sustain it till the last page of the novel ... The story abounds in wit and humour ... a captivating work of fantasy and adventure. ... a wondrous ride that has the capacity to hold its readers tightly in its grip.’

Debashree Majumdar *The Calcutta Telegraph*

‘Throughout the story, the Scottish locations are vividly evoked. The characterisation is warm and rich. Events are compelling, inventive, exciting, and poignant by turns. The humour is frequent, intelligent, and genuinely funny. ‘The Seventh Tide’ is an outstanding fantasy adventure, very highly recommended. And there’s even a heroic librarian!’
