

Her Lines, My Lines (2014)

poems by Joan Lennon; art by Kyla Tomlinson
Astute Printing

Joan Lennon and Kyla Tomlinson (<https://www.kylatomlinson.com/>) first met as speakers at the Bookmark Book Festival. The poetry and art collaboration **Her Lines, My Lines** came about when Joan was appointed to a six-month writer-in-residence post, a joint initiative of Perth and Kinross Council, Creative Scotland and the Bookmark Book Festival.

'[Lennon's] poems ... often focus on a vivid detail, which might go overlooked by others. They make us look again, and see.'
